

A close-up, shallow depth-of-field photograph of a silver fountain pen resting on a document. The pen is positioned diagonally from the bottom left towards the center. The document has some faint, illegible text and a small colorful graphic in the bottom left corner. The background is a blurred office setting with papers and a desk lamp.

BRACE

— Law Firm —

Your connection with the law

About BRACE

- BRACE Law Firm renders legal services to corporate and private clients on issues of Russian and international law.
- The basis of our practice is dispute resolution and litigation. At the same time, our areas of expertise include such areas of legal practice as support of commercial activities, antitrust law, real estate, government procurement, international trade law and foreign investment.
- The quality of our services is based on industry expertise, understanding of the functioning of the legal system, individual and partner attitude towards each client, observance of high professional and ethical standards, technological ability in working with information.
- We provide quality, effective and timely solutions. In each specific case, the BRACE team strives to achieve the best result by the least possible means.

Our rules of work

We always take an active position ■

■ We build relations at the partner level
